

Digital Image Competition Protocol

Images must be sized so the longest dimension is 4,000 pixels (20 inches at 200 ppi) on the longest side. Each image must contain an embedded color profile of sRGB and saved as a JPG quality setting of 10. The total file size should not exceed 3.5 MB. Images are to be named as follows: Image Title.jpg. Note: If your background mat is black, it's best to apply a 2 to 4 point white stroke to ensure the judges can see your presentation properly. If the background mat is any other color, the stroke is optional.

The maximum number of images any member can enter at the Image Comp is 4. The entry fee for 1 to 4 images is \$10 and is to be paid either by PayPal to frankshoot@optonline.net by the entry deadline shown below or the day of the Image Comp meeting by cash or check. Please save the file as the exact name of the title of the image (do not use your own name in the file). Be sure to remove any keywords you have added to the EXIF data. Simply submit your images by attaching them individually to the email. Send up to four images in ONE email and send the email to **Domenica Comfort** at: domenica@domenicacomfort.com

Deadline is 11:59pm sharp the Sunday before the meeting - no exceptions - but to be on the safe side, it's best not to wait until the last minute. When Domenica receives your file, she will send you a confirmation **email by Monday 5:00 pm**. If you DO NOT receive the confirmation email by Tuesday morning, call her immediately at **1-914-738-1198** or email her.

If you have any questions, please contact Domenica at the number listed above. You can also call Frank Mohalley at **914-576-2318**, or Alan Vollweiler at **914 591-7878** if you have further questions.
